Dear [redacted]

I want to thank you for including me in the conference on Soviet S&T which you sponsored at Stanford last week. I found the papers to be of value to me and of course, I benefited from the discussion sessions as well. I would like to commend you and Elliot for taking the initiative to sponsor such a conference and I encourage you to continue with such activity in the future. I would be more than happy to support you to the extent possible.

It was a pleasure to have met you during the conference and I look forward to a continuing association with you.

Yours sincerely,

Julian C. Nall  
National Intelligence Officer  
for Science and Technology
